Uno, I killed it
(Who made the beat? Charlie)
What?

Yeah, I am never sober, I need me some closure
Yeah, chopper on my shoulder, it's shooting through boulders, boy, it's over
(Bang)
Your bitch lookin' at me, told her to come over like Red Rover
I'm callin' another, he pourin' a four up in the soda (Yeah)
She got that good pussy, I hit it, it sound like macaroni (Yeah)
And bad bitches all in my testimony (What?)
Pull up in 550, I'm flexin' on 'em, them my opponents (Dig)
Chopper hold a 50, the AK got a blade from Katana

All these niggas envy, it's lookin' fishy, I smell it on 'em (What? What?)
And they say I'm snitchin' but they on camera just tellin' on 'em
Your girl can't stop wit' the bitchin'
Only in private
Put that lil' boy on suspension
I draw 'em down, they gon' write 'em up
Like a Backwood, light 'em up (Yeah, yeah)
Lighten up
Boy, your ribs showin', huh, yeah, tighten up
Treat the cup just like a volleyball, I'm gon' spike it up
Twelve in the cut, if they push up the coke go in her butt

Yeah, I am never sober, I need me some closure
Yeah, chopper on my shoulder, it's shooting through boulders, boy, it's over
Your bitch lookin' at me, told her to come over like Red Rover

How these niggas traded on me, I feel like a Raptor, ooh
On my neck a fox, I feel like I'm Daxter
Don't make me have to pop the trunk, turn this to a disaster
