I am a showman, I show the Rollie  
Yeah, that's a new roly poly-oly  
Yeah, I be walking on water, be floating  
I get the boats in, I get the snow in  
No, I'm not Jeezy, but I am the snowman  
I get a handful of dope, put your nose in  
Said she want coke because it get her cozy  
She throw that ass in circular motion  
I get a bad bitch and she nosy  
Why is she mad getting Hermès clothes?  
Say she wanna have threesome  
Only live once, never heard die slowly  
Snuck in the club with the stick, pole in  
Bitches all on my skin, lotion  
No, you can't stay, bitch, no freeloading  
No, I can't pass the blunt, scared of corona

Yeah, yeah, cheat code  
Yeah, that's the cheat code  
No, I won't snitch on people  
I won't say a peep, no

She a lame, I won't fuck a cheap ho  
Yeah, that's the cheat code

Please stand back, man, please don't touch me  
Maybe you could touch me if you get lucky  
Smoking on gas and, mhm, musty  
Kick him in the back if you try to stand in front of me  
Kick this bitch out, wanna hang like an ornament  
Remember all the days that you used to make fun of me  
Know you can't stand me, so you crawl under me  
Wrap a nigga up like a gift like a mummy  
I got a hammer so you should honor me  
Please do not bother me, get from up under me  
I get up on it, go stand like a bummy  
Chopper gon' dance, take his body anatomy  
I am a star, I think that's astrology  
She call me daddy, I think that's biology  
You niggas square, I think that's geometry  
But me, I keep me a 'script, Deuteronomy
