And I heard that you like to get geeked (What?)  
And that molly turn you to a freak (What?)  
And you know that I'm smokin' OG (Gas)  
Try to run up, that chopper on me (Rrah)  
So you never try to run up on me (Bang)  
You'll never try to get one up on me (No)  
I fucked that little bitch 'til she sleep (Sleep)  
She pop a Perc' and OD, sheesh  
(Krookz)  
Ooh

She wanna boot up on molly (Geeked)  
I just might boot up on molly (Molly)  
She want a Xan' in her body (Xan')  
Anything she want, I got it (Got it)  
Don't be a fiend, little bitch (little fiend)  
She fell in love with narcotics ('Cotic)  
I pull up with the narcotics ('Cotic)  
I just narcotic her body ('Cotic)  
She geeked up, she booted up (What? I just narcotic her body)  
She geeked up, she booted up (What? I just narcotic her body)  
She geeked up, she booted up (Geeked, I just narcotic her body)  
She geeked up, she booted up (Geeked)  
I just narcotic her body ('Cotic, she geeked up, she booted up)  
I just narcotic her body (She geeked up, she booted up)  
I pull up with the narcotics (She geeked up, she booted up)  
I pull up with the narcotics, ooh

I just narcotic her body  
Told her slow down, I ain't started yet (Yeah)  
She said molly and Xan' was her starter pack (Molly)  
I'm like, "Which one of you bitches had started that?" (Yeah)  
She just told me she like to get wavy  
That wave that you riding, I started that (Yeah)  
I'ma go and put one in your starter cap (Bang)  
I'ma leave you dead man where you started at
