Bitch, it's Lil Boat
Bitch, it's Lil Boat and Lil Uno
Bitch, it's Lil Boat
Bitch, it's Lil Boat and Lil Uno
Bitch, it's Lil Boat (Bitch, it's Lil Boat)
Bitch, it's Lil Boat and Lil Uno
Bitch, it's Lil Boat
Bitch, it's Lil Boat and Lil Uno
(Uno, I killed it)

I got them hoes on the float
They're gon' fuck on Lil Boat
'Cause they know that I'm next
All of these bitches they're sticking around
Them bitches they just want a check
Bitch, you know you can't get no check
Unless Lil Boat he get the neck
I did it just for the flex
Little bitch, I won't take no pictures, damn
Little bitch, I ball like a sixer
I don't drink on liquor
I don't smoke on swishers
No

Only smoking 'bout the Backwoods
You know I got all this lean in my liver (Wait)
Fucking her on the first night
I swear to God I never took that bitch to dinner (Dinner)
Bitch, you are fucking with winners, yeah
Bitch, you are not a beginner, yeah
Sorry bitch, I do not love you
I just wanna fuck you without all these feelings, yeah
Bitch, I do not wanna love you
I'm smoking Backwoods
{Whoa, damn, I just got started in November now}
{I'm at the top fucking hoes by their race} (Yeah)
Told that little bitch give me face
But hold on, back-back bitch, I need me some space, ooh
And I came in with the K
If a nigga wan' try me I aim at their face, ooh
Shooting no face and no case
So I walk up I kill this nigga dead in broad day

Whoa, damn
Please get the fuck out my face
If you ain't talking cash
If you not talking cheddar
Lil Boat I might run for mayor
Little homie keep the laser
Hope you do not bring a razer
You brought a knife to a gunfight
So say goodbye to your people (Bye)
Make a movie like Reagal
Whoa, they say, "Boat, you're way too Hollywood
It's getting way too hard to reach you
Shit, it was nice to meet you."

Yeah, and how much for a feature?
You know I'm testing
You know I'm testing
You know I'm smoking on thrax
Nigga they chill and relax
'Cause you know I keep a gat
Ooh, don't play with my back
Ooh, can't save no hoe
Fucking these hoes back to back, yeah
I got the guap in my lap, yeah
Run it up, run it up, run it up, ooh
Try to run up catch an uppercut, ooh
Smoking on nothing but gas
Smoking on nothing but premium, ooh

All these hoes know my name
Bitch, it's Lil Boat from the sixer
I keep them hoes by the mixer
He sucked up sauce from the atmosphere
All these little niggas they copy
They're wanna be like the gang
Ain't nobody take my chain
Won't nobody take my chain
No

All this ice that's in my ring, yeah
Say she like the finer things, yeah
Only got designer jeans, yeah
Off the Xan just sipping lean
Off the Xan just sipping lean
Double cup, double cup, double cup
Find me a bae with a bubble butt, ooh
I got two bitches had doubled up, uh
Catch him like catch him on lacking, yeah
I swear to God
He gonna bust and bust, yeah
Nigga he try to run up
I told him pussy nigga knuck if he buck, yeah
