Sorry, baby, I can't love you because I can't love anybody no more (No)

Every single day I wake up I feel like a nigga had done this before (Done this before)

I feel like everyone's waiting on me, I never felt like this before  
It's some niggas use to be with the gang, we don't even talk anymore  
(Gang)

It's some niggas use to be with the gang, when I see them, I'm popping  
they jaw

Pussy nigga always wanna come hang and then wanna run when it's war  
I'ma come in, I'ma let the bitch bang and leave a nigga on the floor  
(Bang)

We ain't cool no more, sorry, I don't fuck with you no more

Lotta snakes in the grass so I gotta go and grab the lawnmower (Oh)  
Niggas wanna steal swag, never ask how much I charge for it (How)

And I'm a real rock star, pop molly rock Tom Ford (Oh)

I don't never chase hoes, I fuck a bad bitch when I'm bored (whoa)

Do drugs when I bored, we don't do the same drugs no more

You don't even feel the same, we don't get the same love no more (No)

Know you feel the pain, you don't even feel numb no more (Yeah)

Don't know what to say, just look at you in remorse (Oh)

Sorry, baby, I can't love you because I can't love anybody no more (No)

Every single day I wake up I feel like a nigga had done this before ('Fore, whoa)

I feel like everyone's waiting on me, I never felt like this before (No)
