Where were you? Where were you? (Where?)
Where were you? (Where?)
Where the fuck was your antennas? (Yeah, ah)
Where was you with all them feelings (Where?)
Where were you? Where were you? (Where?)
I got tired of waiting on that love (Where?)
Got impatient, took them drugs (Where?)

Now you look so perishable (Where?), tryna act like I'm embarrassing you (Where?)
Green at the top like carrots do
At the top with the green like a carrot grew (Where?)
Don't talk to me mean, bitch, keep it cute (Where?)
When you talk, keep it green, better keep it mute
On the Senzu bean, it's time to reboot (Sex on the bean)
I'm thinking it's time to rebuke (Where?)
I'm texting my hoes like, "It's time to regroup" (Where?)
I trapped out the Texaco, gas through the roof (Where?)
Where was you? You was nowhere around
I kick shit, not the other way around
I'm a lost kid just tryna find my way around
All this guilt be weighing me down

Where were you? Where were you? (Where?)
Where were you? (Where?)
Where the fuck was your antennas? (Yeah, ah)
Where was you with all them feelings? (Where?)
Where were you? Where were you? (Where?)
I got tired of waiting on that love (Where?)
Got impatient, took them drugs (Where?)

Her ass on my letter, her booty is so soft
I snuck in the club with my younging and beams (Yeah)

Lean in my soda, my cup runneth over
I'm tryna be sober, I'm stuck in a dream (Oh)
She a leftover, she think that I love her, but it is a cover, in love with codeine
Try to be humble, I'm popping but she in love with the Celine

Where were you? Where were you? (Where?)
