Want you back, I want you back, I want you back
I want you back, I want you back, I want you back
Want you back, I want you back, I want you back
I want you bad, I want you bad, I want you bad (Dig)
No, I ain't even mean to make you sad (Dig)
You just caught a little nigga in his bag
I ain't never mean to make you mad (Dig)
You just caught a little nigga in his bag (Dig)

Caught a little nigga popping tags
Caught 'em wit' a .40 in my lap
Caught a little nigga stealing swag
Told 'em they giving me my shit, back
Or I put on a mask, pulled up wit' the MAC
Blast you in your fucking back, yeah
Look me in the face and then she smack
Sorry baby I know I can't take that shit back

I want her, want her
I want her, want her
I want her, want her
Every day I wake up tryna reach out to her
Every day she wake up like it's over, over

Want you back, I want you back, I want you back
I want you back, I want you back, I want you back
Want you back, I want you back, I want you back
I want you bad, I want you bad, I want you bad (Dig)
No, I ain't even mean to make you sad (Dig)
You just caught a little nigga in his bag
I ain't never mean to make you mad (Dig)

Lil' baby drip like a faucet, I think the little bit' lost it
Ooh, she climb on the dick, baby 'til my dick exhausted
I know little bitch, offer my attorney the cost
Told a little nigga go boss up
Baby got me it impossible
My money so exponential
Baby I see your potential
Wrote it out write like a pencil, stealing my white like a tissue
What is your issue, I do not get you
First I do not miss you, then it's I miss you

Want you back, I want you back, I want you back
I want you back, I want you back, I want you back
Want you back, I want you back, I want you back
I want you bad, I want you bad, I want you bad (Dig)
