

# Fabulist

Unprocessed

Listen up, now I'll have my say  
I'm not afraid  
Cause you can't touch my glory

I stay up, I'm just staying sane  
You're way too late  
And my doors are all closed now

Fables don't write themselves so I  
Lay dynamite  
To the kindness of my words

Say my name cause its oh, so fine  
You can't deny  
I'm filling this room up

Eyes on me, I'm the fabulist  
Y'all can't resist  
Let me tell you my story

Eyes on me, I'm the fabulist  
A masochist  
And I'm changing history

Eyes on me, I'm the fabulist  
Y'all can't resist  
Let me tell you my story

Eyes on me, I'm the fabulist  
A masochist  
And I'm changing history

Ah, and what I say  
It might be faked  
Cause I'm changing my story  
I'm the same as I used to be  
You will agree  
On whatever my point is

(On whatever my point is)  
(On whatever my point is)

Eyes on me, I'm the fabulist  
Y'all can't resist  
Let me tell you my story

Eyes on me, I'm the fabulist (eyes on me, I'm the fabulist)  
(Eyes on, eyes on, eyes on)

Put your eyes on me  
Put your eyes on me  
Put your eyes on me  
Put your eyes on me

Put your eyes on me
