

The Movements, Their Echoes

Unprocessed

I've heard you whispering through your halls
You sold my soul and left me shivering in the storm
I was a simple man 'til I hauled in this everlasting simulation
Of what we once called our reality
In due time
I finally found the answer

We've been connected through your sentient violence in the first place
I managed to encode you after scratching on the surface

I hear synthetic arrows wizzing through the galaxy
My soul was ready to fall for your lucid energy

A.V
We're independent from human limitation
A.V
What you created made significant difference

You sold my soul and left me shivering in the...
A.V
I'll come and find you to erase your source

We're independent from human limitation
A.V
What you created made significant difference
A.V
You sold my soul and left me shivering in the storm
A.V
I'll set the final end to this soaring course
