

# Open the Clouds

Unspoken.

We're looking on to that glorious day  
A brighter morning when the sky rolls away  
I've been ready, since the day I was saved  
We've got a ticket into heaven that's already been paid

Jesus is comin' he's comin', he's comin'

Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, shine down on you  
Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, shine down, shine down, shine down on you

Here in the family there's always room for more  
A welcome from the king and an open door  
Sit at the table and be satisfied  
You been sent an invitation, but you gotta reply

The king is comin' he's comin', he's comin'

Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, shine down on you  
Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, shine down, shine down, shine down on you

People get ready, people get ready, people be ready

No one knows but the day will come  
All we know is it won't be long

People get ready, people get ready

Listen close for the trumpet sound  
Lift your head to the heavens now

He's comin' [x7]

Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, shine down on you  
Open the clouds, spirit set me free  
Open the clouds, shine down on me  
Open the clouds, see the sun break through  
Open the clouds, let em shine  
Let em shine, let em shine on you

To the north, to the south, to the east, to the west  
Every knee will bow and tongue will confess  
That jesus is lord, jesus is lord

To the north, to the south, to the east, to the west  
Every knee will bow and tongue will confess  
That jesus is lord, jesus is lord
