

## Start a Fire

Unspoken.

This world can be cold and bitter  
Feels like we're in the dead of winter  
Waiting on something better  
But am I really gonna hide forever?

Over and over again  
I hear Your voice in my head  
Let Your light shine, let Your light shine for all to see

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me

You only need a spark to start a whole blaze  
It only takes a little faith  
Let it start right here in this city  
So these old walls will never be the same

Over and over again  
I hear Your voice in my head  
They need to know  
I need to go  
Spirit won't You fall on my heart now

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me

You are the fire You are the flame  
You are the light on the darkest day  
We have the hope we bear Your name  
We carry the news that You have come to save  
Only You can save

Start a fire in my soul  
Fan the flame and make it grow  
So there's no doubt or denying  
Let it burn so brightly  
That everyone around can see  
That it's You, that it's You that we need  
Start a fire in me
