

Tomorrow

Unspoken.

I give an inch to doubt and worry
They take a mile and wreck the story,
I chase the future 'til I'm tired,
I catch it then it catches fire

I don't wanna miss
This day cause it's a gift
I can't miss a chance
To leave it in Your hands

Don't know what tomorrow holds
I'm learning how to let it go
Jesus, You are in control
Of my tomorrow, tomorrow
Come and take the fear away
'Til there's nothing left but faith
I know You will help me face
My tomorrow, tomorrow

Give me Your eyes to see the moments
Faith like a child that can't be stolen
Give me the heart to trust Your promise
All that we need You'll shower on us

I don't wanna miss
This day cause it's a gift
I can't miss a chance
To leave it in Your hands

I don't know what tomorrow holds
I'm learning how to let it go
Jesus, You are in control
Of my tomorrow, tomorrow
Come and take the fear away
'Til there's nothing left but faith
I know You will help me face
My tomorrow, tomorrow

It's only when I seek You first, seek You first
That everything falls into place
It's only when I trust Your word, trust Your word
That every fear is washed away, washed away

I don't know what tomorrow holds
I'm learning how to let it go
Jesus, You are in control
Of my tomorrow, tomorrow
Come and take the fear away
'Til there's nothing left but faith
I know You will help me face
My tomorrow, tomorrow

It's only when I seek You first, seek You first
That everything falls into place
It's only when I trust Your word, trust Your word
That every fear is washed away
