

# A Single Solemn Rose

Unto Others

"Give me some time", I told you  
Means nothing to me now  
I don't know why I thought you  
Would ever come around  
Out beyond the tracks  
A moment's hesitation  
How could I not see?  
I was only 17

Can we cut the back and forth?  
It doesn't matter anymore  
A gift for what it's worth  
Alone, a single solemn rose  
Before you go  
Know I don't love you anymore  
Be careful what you wish for

When I give you a chance you use it  
Yeah, you make things clear  
You beat it and abuse it  
I can tell that you don't care  
Desperate with fear  
Gripping tight to fantasy  
I hate it when you're here  
Sitting next to me

Can we cut the back and forth?  
It doesn't matter anymore  
A gift for what it's worth  
Alone, a single solemn rose  
Before you go  
Know I don't love you anymore  
Be careful what you wish for

Can we cut the back and forth?  
It doesn't matter anymore  
A gift for what it's worth  
Alone, a single solemn rose  
Before you go  
Know I don't love you anymore  
Be careful what you wish for

Just like me  
Just a waste of time  
And I think you knew  
But I'll be fine  
Just like you
