

# Stolen

## Up Dharma Down

Yes, I heard it through the crack pipe?  
You've been down and I  
Been hurt and wrong the same time  
Have we had enough?

Getting ready for the light  
Picking up the pieces broken in me  
Sudden shades of feeling  
Oh so jacked I feel it

I front to you, I am so relieved  
To help you through your days and evenings  
Baby, we have got the same marked here  
Are we close enough to make that tear

Oh and the two of us keep that brief  
Boy, do you want to make that steal?

Why don't you steal my heart beat  
Why don't you steal, why don't you steal my heart beat  
I can't keep still, I can't keep still my heart beat  
Well you have steal my heart beat, beat, beat

He's not coming back for me  
She ain't coming back for you  
Don't be blind and don't you see  
We're a perfect thing for two

We can never fall at ease  
Feeling like a hole that's deep within me  
Some songs I'm feeling  
Fall and beg that we can make it through

Why don't you steal my heart beat  
Why don't you steal, why don't you steal my heart beat  
I can't keep still, I can't keep still my heart beat  
Well you have steal my heart beat, beat, beat

Like pepping the night  
Take my heart's steady beat  
I can see it in your eyes  
Don't you want your loves to last

Oh and the two of us keep it brief  
Whatever you want just make that steal

But you still gonna hurt me baby

Steal my heart, baby  
Steal my heart, baby  
Steal my heart, baby  
Steal my heart, baby  
Steal my heart, baby  
Steal my heart, baby
