Just gotta let you know girl
You're so wonderful

When you're with me, stop looking at your phone
Who is it that you're texting with for hours?
Is it a guy? it keeps bugging me
I can't be just friends with you anymore

I don't like it
You're not recognizing me yet, you're still wandering
Listen carefully to what I say right now
I like you

Answer me, I know I'm in your heart
Erase anything else that's not me from your heart
Don't take your eyes off me, only look at me
Don't look anywhere else
From now on, only pay attention to me

What kind of man did you dream of?
I will be that man
Even if you think you know me
It'll be different when you see me as a man

I don't like it
Walking one step away from you
Listen carefully
Don't smile and call other guys "oppa" anymore

Answer me, I know I'm in your heart
Erase anything else that's not me from your heart
Don't take your eyes off me, only look at me
Don't look anywhere else
From now on, only pay attention to me

Hey wait
Did you really not know my heart?
How can I be more obvious?
This is frustrating, I won't twist my words anymore
Either choose me or reject me, answer me now
I'll do everything for you, on any day
Before you sleep, I'll call you every night
Come here, look at me
Don't think about anything else with me by your side

Answer me, I know I'm in your heart
I know you feel the same, I'm right
Don't take your eyes off me, only look at me
Don't look anywhere else
Only pay attention to me

I'm gonna hold your hand while we walk now
I'm gonna hug you without reason
Say a-yo (a, a-yo)
Say a-yo (a, a-yo)

And one more
I'm gonna call you mine
I'm gonna care for you more than anyone else
Say a-yo (a, a-yo)
Say a-yo (a, a-yo)
Haha I like that

Only pay attention to me
