That's right, I'm a fool
Every time, I only think of you
I used to be chic but now my heart pounds
I used to be prickly but now I'm cute
After I met you, as if I've been reset
They say I've changed
Cause you're my honey tension up
You're the top in my heart
Stop your diet
No no, you're pretty enough
Why put on makeup?
No no, you're pretty enough
I'm not lying, everyone but you knows
You are so beautiful

You're beautiful, enough to take my breath away
You're beautiful, enough to be dazzling
I can only see you
I can't see anyone but you
Can't take my eyes off you

Beautiful

Cause you ooh ooh ooh ooh ooh
My heart softly melts
Cause you ooh ooh ooh ooh ooh
My heart softly trembles
Your eyes heal me, your voice cleanses me
In my eyes, you're the most beautiful

Beautiful, so beautiful
What words are needed? Beautiful
There's no pride between us
We don't play games
Your heart is prettier
From your head to your toes, you're beautiful

Even when you wear flats
Yeah yeah, you're beautiful enough
Whatever you wear
Yeah yeah, you're beautiful enough
It's not fair, everyone is jealous of you
You are so beautiful to me

You're beautiful, enough to take my breath away
You're beautiful, enough to be dazzling
I can only see you
I can't see anyone but you
Can't take my eyes off you

I can't believe it yeah, it's like a dream oh
I don't want you to notice my heart
But it's so obvious

You're beautiful, enough to take my breath away
You're beautiful, enough to be dazzling
I can only see you
I can't see anyone but you
Can't take my eyes off you

Beautiful
Cause you ooh ooh ooh ooh ooh
My heart softly melts
Cause you ooh ooh ooh ooh ooh
My heart softly trembles
Your eyes heal me, your voice cleanses me
In my eyes, you're the most beautiful
