(You are, you are)
My everything
(You are, you are)
My everything
(You are, you are)
My everything

For a while, I thought this was a dream
I didn't know it was over between us
My friends all say it's ok
But when I see you, different from before
It hasn't hit me yet
(Tell me why)
How did we become
So awkward?
I can't believe it

We used to be so happy
We can meet
I want to jump past time
And find you again
Remember, I'll be there
I'll be right here
Though it hurts, I wanna hold it in
Because without you, I can't go on

(You are, you are)
My everything
(You are, you are)
My everything
(You are, you are)
My everything
Without you, I can't go on

Can't I ever
Call out to you again?
Are we going to walk
In parallel?
You coldly left
We missed each other
But I feel like
You'll look for me
So I'm still standing here

(Like this)
I see you getting farther away
I'm afraid
That I won't ever smile again

We used to be so happy
We can meet
I want to jump past time
And find you again
Remember, I'll be there
I'll be right here
Though it hurts, I wanna hold it in
Because without you, I can't go on

Though it hurts, I wanna hold it in
Why do I have to put my feelings for you away?
I'll remain deep in your heart
I will stay
I'll be right here
When you're lost
I'll spread my arms, throw everything else away
And shine brightly on you

I wish I could ignore this
And be a man and forget you
But my heart aches so much
It's hard to endure
Please

We used to be so happy
We can meet
I want to jump past time
And find you again
Remember, I'll be there
I'll be right here
Though it hurts, I wanna hold it in
Because I love you

(You are, you are)
My everything
(You are, you are)
My everything
(You are, you are)
My everything
