What do you mean "me too"
What about the next words
I want to hear more about your heart
Never, you never say you love me
You just say "me too"
As often as you like
So it makes my heart ache more

If I don't ask you, I will never
Listen to the words that I want to hear
So I'd like to ask you
What I should ask you next
That will make my heart ache more

(Me too) I know what you wanted to say
(Me too) But that's not the thing I wanted to hear
(Fine) Please fall in love with me before I do

Say something to me baby talk to me baby

What do you mean "me too"
What about the next words
Because I know that heart as well
I always keep saying
I love you I love you

What do you mean "me too"
What about the next words
I keep listening to the sickening talks
A lot of the times
I keep hearing I like you

I said I love you
The common reflection of your answer I hate it
I said I miss you
Barely hearing that talk I hate it

I hate the childish way we talk
Like this I am so desperate
Your eye gaze, your expression
Doesn't have any soul, I know we are done
I know we are over

(Me too) You make me exhausted
(Me too) You make me crazy
(Fine) Please I want to feel your heart
Say something to me baby
Talk to me baby

What do you mean "me too"
What about the next words
Because I know that heart as well
I always keep saying
I love you I love you

What do you mean "me too"
What about the next words
I keep listening to the sickening talks
A lot of the times
I keep hearing I like you

Gradually we're parting away
But I can't leave you
I know it well even if we don't talk about it
Perhaps there is no me in your heart
Slowly you're getting over me
You leave me inside your heart
Please don't throw me away like this

What do you mean "me too"
What about the next words
Because I know that heart as well
I always keep saying
I love you I love you

What do you mean "me too"
What about the next words
I keep listening to the sickening talks
A lot of the times
I keep hearing I like you

What do you mean "me too"
