my action

Please believe me
I need you girl

Ah oh eh oh eh oh
Ah oh eh oh eh

You're too good for that guy
I told you, no
I'll take care of you, I'll accept all of you
No matter what you do
No matter what anyone says, no one can stop me
Baby I don't know, why do you keep teasing me?
If you really don't like me, you don't have to look at me
But you come before me
Then you quickly disappear

Where are you going, leaving me here?
I feel down, low low low
That's enough, stop playing with me
You keep playing games, up & down

Baby I'm so sorry, you make me go crazy
Your pretty lips make me go crazy
Your back makes me go crazy
Ah oh eh oh eh oh
Ah oh eh oh eh

Your eyes, your smile
Sometimes, you're sly like a fox
Oh eh oh eh oh eh
Your eyes, sometimes you're sly like a fox
Ah oh eh oh eh
You make me go crazy

No matter how much I hold you
You never give me love easily
You never say you love me

No matter what anyone says, no one can stop me
Baby I don't know, why do you keep teasing me?
If you really don't like me, you don't have to look at me
But you come before me
Then you quickly disappear

Where are you going, leaving me here?

I feel down, low low low
That's enough, stop playing with me
You keep playing games, up & down

Baby I'm so sorry, you make me go crazy
Your pretty lips make me go crazy
Your back makes me go crazy
Ah oh eh oh eh oh
Ah oh eh oh eh

Your eyes, your smile
Sometimes, you're sly like a fox
Oh eh oh eh oh eh
Your eyes, sometimes you're sly like a fox
Ah oh eh oh eh
You make me go crazy

When you look at me and smile
When you silently come to me from behind
Without knowing, my entire body gets hard
I keep getting nervous, my action

Please believe me
I won't let go of your hand
I need you girl

Your eyes make me go crazy
Sometimes, burning me up, you make me go crazy
Sometimes, you're sly like a fox, making me go crazy
Ah oh eh oh eh oh
Ah oh eh oh eh
You make me go crazy
