I have a shocking encounter with you
Both of my eyes chasing you like a paparazzi camera
My baby, you're a dangerous addiction
There is no antidote, already deadly
Gradually I'm getting deeper fallin' with you
The reason why I can't take my eyes off of you
I broke my brake

I'm holic, I'm holic
So poppin' poppin' my honey
I'm holic, I'm holic
So poppin' poppin' my baby

Everything about you makes me crazy
Not satisfied enough with only short brushes against you
You drive me crazy oh
I should get closer to you

I give it up, give it up
I can't hold it anymore, you're so hottie
I give it up, give it up

I can't stop, I'm holic

I chased you around with my eyes
No need to luring me again, no no
Give it up, give it up
I can't stand it, I'm so holic

Seems like I'm getting paralyzed, I can't move
I can't breathe, the time is stopping as well
My baby, why can't you see it
My heart is getting stuck on you
Now, I don't think I can dig it out
I can't stop looking at you, my crazy instinct
Breaking down my system

I'm holic, I'm holic
So poppin' poppin' my honey
I'm holic, I'm holic
So poppin' poppin' my baby

Everything about you makes me crazy
Not satisfied enough with only short brushes against you
You drive me crazy oh
