Ready? Let's go
Comin' up comin' up
Comin' up comin' up, oh! Oh
Turn it up turn it up
Turn it up turn it up, oh

Whenever I see you, I say wow

I say wow, I say wow
I say wow
Like an OA, O, OA, O, OASIS
Fill my thirst baby
I like you so much, I like you, I like you
You're mine sweetie girl

Yeah, I came such a long way
Destiny, I finally met you
The insides of my mouth exploded
I finally realized my head was empty
The moment a documentary turns into a melo
The moment man first saw fire
Just like that
I can't snap out of it

When we're walking together
When you introduce me to your friends
A guy who wants to show off
Oh baby
No matter how much I look and look
Look and look, a girl I want to keep looking at
You're the one for me

Whenever I see you, I say wow
I say wow, I say wow
I say wow
Like an OA, O, OA, O, OASIS
Fill my thirst baby
I like you so much, I like you, I like you
You're mine sweetie girl

Not even Picasso could draw you
If he tries, he'll run out of breath
You can't be drawn on paper
You surpass the limit
I run past the speed limit
But it's not bad for me, that's right
Instead, you embrace me more
You're a sweet lollipop

When I look at you, take care of you, hug you
A guy who can embrace you
Oh baby
A girl who gets touched by the little things
Who tells me sweet words
You're the one for me

Whenever I see you, I say wow
I say wow, I say wow
I say wow
Like an OA, O, OA, O, OASIS
Fill my thirst baby
I like you so much, I like you, I like you
You're mine sweetie girl

Trust me and follow me, you won't regret it
Don't think too much, you can't reject me
Let's walk together, don't hesitate girl
I will make you walk only a flower paths
Only happiness will be before you

There are a lot of pretty girls around me

But for me, it's only you, only one

Whenever I see you, I say wow

I say wow, I say wow

I say wow

Like an OA, O, OA, O, OASIS

Fill my thirst baby

I like you so much, I like you, I like you

You're mine sweetie girl

You're mine sweetie girl

You're mine sweetie girl

You're mine sweetie girl

You're mine sweetie girl
