Secretly oh syu-bi-du-bap
Why don't we run far away just two of us
Secretly oh syu-bi-du-bap
I'll just do it after everyone falls asleep
Everytime I see you my heart pounds
I can't help thinking about you all day long
No matter you want it or not
No matter you agree or not
I'll just do it
I'll just get to the end

We agreed to leave saying nothing
Under the starlight
Alright trust me right
It's alright don't worry

Secretly oh syu-bi-du-bap
Why don't we run far away just two of us
Secretly oh syu-bi-du-bap
I'll just do it after everyone falls asleep

Yeah, to the left right I'm excited tonight
You look so beautiful to me now
You wanna go or not? say it
Yes I'm sweet

Yo! wake up I'll come pick you up
When the world is asleep
Let's dance on the floor
Tonight you and I it's beautiful tonight
Today is it

The place where the horizon lies spread out, oh yeah
No one will bother us
Don't say no
I'm not just saying that
Let's go today is it

When you get exhausted with no reason
We agreed to run without thinking
Alright trust me right
It's alright alright follow me

Secretly oh syu-bi-du-bap
Why don't we run far away just two of us
Secretly oh syu-bi-du-bap
I'll just do it after everyone falls asleep

I'm feeling better tonight
Tell me honestly
Hold the end of tonight
Whisper to the moonlight
At this dark night
Lighten a fire
Answer me are you going or not?

My heart flutters oh syu-bi-du-bap
Let's count the stars hugging each other
Secretly oh syu-bi-du-bap
I'll just do it after everyone falls asleep

Our tension mounts over the sky baby
Today, I don't know I'll just go what's wrong?
Don't worry my baby shout out loud say it
It's alright trust me my lady
Worry other things tomorrow it's you and me today
Just two of us
