

## Bonnie's In The Coupe

Upchurch

Woah oh  
Woah oh  
Woah oh

I pull up in the villy ain't no sparkle on my boots  
I don't pay no tabby with the bottle I'm a goose  
All the baddies want shotty  
Got the Bonnie's in the coupe  
And they ain't playin' me but do my tracks stay on a loop

Labels they callin'  
I do not want them  
Came in the game with a swing like a door hinge (Door hinge)  
Blunt rolled, Copperhead Road (Copperhead Road)  
Shoot the jukebox standin' in the club, uh oh  
I get that hoochie coochie like rockstars that's in the movies (Movies)  
Tour bus like the 80's even drivers get the groupies (Groupies)  
Comparin' me to Elvis in the cut with all the cuties  
Rednecks in my crew and under them suits yeah they got the ujis

I pull up in the villy ain't no sparkle on my boots  
I don't pay no tabby with the bottle I'm a goose  
All the baddies want shotty  
Got the Bonnie's in the coupe  
And they ain't playin' me but do my tracks stay on a loop  
I pull up in the villy ain't no sparkle on my boots  
I don't pay no tabby with the bottle I'm a goose  
All the baddies want shotty  
Got the Bonnie's in the coupe  
And they ain't playin' me but do my tracks stay on a loop

South side, (South side) 'til I die ('til I die)  
When I get to heaven I need seven four wheel drives (four wheel drives)  
South side, (South side) 'til I die ('til I die)  
Jesus do a liquor trick 'cause I ain't drinkin' wine (drinkin' wine)  
And I bring the dust  
Surround me with angels  
Colt 45 and some good green and paper (and paper)  
Ballpoint pen leakin' the lifetime (lifetime)  
You can write about me but not to cop mine  
I'm big cousin bubba  
A country ass motha-fucka  
Standin' on the porch like a felon  
Kitchen tats and I'm covered  
I'll kill for my mother, my brother  
Setting up him with others  
And write about my life and still survive a country star when I show up

I pull up in the villy ain't no sparkle on my boots  
I don't pay no tabby with the bottle I'm a goose  
All the baddies want shotty  
Got the Bonnie's in the coupe  
And they ain't playin' me but do my tracks stay on a loop  
I pull up in the villy ain't no sparkle on my boots
