

Die A Happy Man

Upchurch

Baby last night was hands down
One of the best nights that I've had, no doubt
Between the bottle of wine and the look in your eyes and the Marvin Gaye
Then we danced in the dark under September stars in the pouring rain

And I know that I can't ever tell you enough
That all I need in this life is your crazy love

If I never get to see the Northern lights
Or if I never get to see the Eiffel Tower at night
Oh if all I got is your hand in my hand
Baby I could die a happy man
A happy man baby hm

And baby that red dress brings me to my knees
Oh but that black dress baby makes it hard to breathe
You're a saint, you're a goddess, the cutest, the hottest, a masterpiece
It's too good to be true, nothing better than you in my wildest dreams

And I know that I can't ever tell you enough
That all I need in this life is your crazy love

If I never get to see the Northern lights
Or if I never get to see the Eiffel Tower at night
Oh if all I got is your hand in my hand
Baby I could die a happy man, oh yes I could

I don't need no vacation, no fancy destination
Baby you're my great escape
We could stay at home, listening to the radio
Or dance around the fireplace

Oh if I never get to build my mansion in Georgia
Or drive a sports car up the coast of California
Oh if all I got is your hand in my hand
Baby I could die a happy man

Oh darling I could die a happy man
I could die I could die a happy man
A happy man baby
