

Skit 2

Upchurch

(The captain has turned on the seatbelt light. Please take your seat and fasten your seat belts. Thank you.)

Oh shit

Is everything good?

Are we drivin' through lightin'?

Ha, ha, ha

What's wrong with you bro, why you laughin' at this shit?

Well I've done everything I've want in life so far, you should start doin' it too then dyin' like Buddy Holly wouldn't bother you now would it

Don't say we're gonna die

We might

No we're not

Oh, shit

Well what is it?

Nothin'

My nerves are shot because of you
