

Where Did You Sleep Last Night

Upchurch

My girl, my girl, don't lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

Her husband, was a hard working man
Killed a mile and Half from here
His head was found in a driving wheel
And his body has never been found

My girl, my girl, don't you lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, don't you lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, don't you lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun don't ever shine
I would shiver the whole night through

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
