

D.T.A. (Don't Trust Anyone)

Upon a Burning Body

I'm tired of the same ol' bullshit
Tired of the liars, the cheats and all you hypocrites
I'm just trying to live my life
Squeeze a dollar out of a dime just to survive
I'm not looking for sympathy
But right now you don't want to fuck with me

You can't take what you haven't earned
You keep playing with fire you're bound to get burned

Ah shit - here we go again
Work all day ain't got no time to play
It's the same shit just a different day

Ah shit - here we go again
I'm living my life the best I can
You want a fucking role model but I'm just a man

The pressure is killing me
The weight of the world is on my shoulders
I'm not the person you think I am
You've turned me into a monster

I'm tired of the same ol' bullshit
D.T.A. motherfucker, don't trust anyone
It's dog eat dog in the big world
So don't start shit, there won't be shit
Ain't got the time for piece of mind
When everyone's trying to get a piece of mine

You can't take what you haven't earned
You keep playing with fire you're bound to get burned

Ah shit - here we go again
Work all day ain't got no time to play
It's the same shit just a different day

Ah shit - here we go again
I'm living my life the best I can
You want a fucking role model but I'm just a man

The pressure is killing me
The weight of the world is on my shoulders
I'm not the person you think I am
You've turned me into a monster
Don't waste my time with your same ol' bullshit

Fuck

Ah shit - here we go again
Work all day ain't got no time to play
It's the same shit just a different day

Ah shit - here we go again
I'm living my life the best I can
You want a fucking role model but I'm just a man

The pressure is killing me
The weight of the world is on my shoulders
I'm not the person you think I am
You've turned me into a monster
Don't waste my time with your same ol' bullshit
