

Reckless Love

Upon a Burning Body

Going back in time to where my inner child waits
Cause I've carried your pain through all these years
Your silent screams, your hidden tears
Together we'll rewrite where we stand

Reckless love
The same tears that fell, washed over me
Sent ripples through time
Shaping who I am today
I am not the same

I found dreams inside the nightmares
To be more than just the scars I wear
I feel the solace in the chaos I've lived
Places where I can't hide
I pray for silence in the screams that I fear
They replay in my mind
Throw all this pain away

These scars have shaped my calling
The trauma the shame the crawling
I have to hold on to what's real
And what real is what sets me free

Reckless love
The same tears that fell, washed over me
Sent ripples through time
Shaping who I am today
This is who I am today
The same tears that fell, washed over me
Sent ripples through time
Shaping who I am today
Shaping who I am today
