

# Shapeshifter

## Upon a Burning Body

Awake to the full moon's calling  
Blood thirst  
Tall tails of a creature formed  
The seventh born  
Beware as it lurks among you  
Watch your every move

Flesh eating  
Rotting sinistry  
Sinking teeth  
Blood thirsting  
Flesh eating  
Rotting sinistry  
Sinking teeth  
Blood thirsting

Full moon's disguise  
Nowhere to run, nowhere to  
Hide

New flesh  
Blood bound shapeshifter  
Your curse  
Hell bound deceiver

The howling  
Noon lights its glowing eyes  
Primal hunger  
Tearing bone through skin

Flesh eating  
Rotting sinistry  
Sinking teeth  
Blood thirsting  
Flesh eating  
Rotting sinistry  
Sinking teeth  
Blood thirsting

Nowhere to run  
Nowhere to  
Hide

New flesh  
Blood bound shapeshifter  
Your curse  
Hell bound deceiver  
New flesh  
Blood bound shapeshifter  
Your curse  
Hell bound deceiver

Hunt the hunter now  
Bleed the evil out

Block out the light of the moon  
Now the terror turns on you

You can run  
There's nowhere to hide
