

# Drugs

UPSAHL

I just came here for the (Yeah)  
I just came here for the (Yeah)  
I just came here for the (Yeah, you know I cam here for the)  
I just came here for the drugs  
Drugs (Drugs)  
Drugs (Drugs)  
Drugs (Drugs)  
I just came here for the drugs

So you say  
You're moving  
Out of state  
Soon as you  
Graduate  
Interesting

Anyway  
You're leaving  
Need a hug  
Ok then  
Call me up  
No thanks, man

I'm too busy, don't  
Have time for  
Things you say that aren't  
Important  
Where's the bathroom at?  
Leave me alone

I just came here to the party for the  
Drugs (Drugs)  
Drugs (Drugs)  
Drugs (Drugs)  
I'm not tryna make a friend or fall in  
Love (Love)  
Love (Love)  
Love (Love)  
So just stop the faking  
Not here for nameless faces  
Pointless talk in conversations  
(Drugs)  
Drugs (Drugs)  
Drugs (Drugs)  
I just came here for the drugs

Yeah, yeah, I just came here for the vibes  
I just came here for the lines  
Rollie on my wrist but really  
I just wanna waste time  
You just came here for the smoke  
And the free alcohol  
Motherfuck your conversation  
I don't wanna be involved  
I just showed up with my crew and hoes  
To pop a couple bottles  
I don't wanna take another selfie

With a model  
Gucci down to the socks  
Call my Big Poppa  
I just came to show up late  
And leave like I forgot 'em 'cause

I'm too busy, don't  
Have time for  
Things you say that aren't  
Important  
I don't really want  
To hear you say

I just came here to the party for the  
Drugs (Drugs)  
Drugs (Drugs)  
Drugs (Drugs)  
I'm not tryna make a friend or fall in  
Love (Love)  
Love (Love)  
Love (Love)  
So just stop the faking  
Not here for nameless faces  
Pointless talk in conversations  
(Drugs)  
Drugs (Drugs)  
Drugs (Drugs)  
I just came here for the drugs

Everybody's either here for the drugs  
Or the sex  
Or the money  
Or the fame (The sex or the money or the fame)  
He's on the phone asking someone for the plug  
And she's on the couch, small talking, dropping names  
I'm not here for nameless faces  
Pointless talk in conversations (I just came here for the)  
(Drugs)  
Drugs (Drugs)  
Drugs  
But I just came here for the
