FBL (SIDE B)

UPSAHL

So cute think that you could be the one to
Fuck me up leave me crying in the bathroom
Good luck tryna put me in bad mood
I got bigger problems than you

Go head baby hit me with your best shot
Send me up let me down that's so hot
Heartbreak only way you're getting me off
It's nothing but a sad truth

Life's not fair baby this I know
Think too much it'll kill ya slow
Live laugh love yeah it's all for show
One more hit and I let it go

I don't need your hands between my thighs
Light a cigarette and tell me sweet sweet lies
And I know that it's not very ladylike
But I'm already getting fucked by life

Tell me that it's love and change your mind
Only call me drunk and when it's late late night
You can hit it from the back and make me cry
'Cause I'm already getting fucked by life

Take my hands up off the wheel and I'm 'a let it take control
Swerving 'round nah you can't fuck with me I'm out here doing donuts
All this hot blood running running through my bloodstream
And it's likely that I'm on the ceiling

Anything that you can do to me, life can do to me better
Hair pulled back, eyes roll back, nothing's getting me wetter
Wanna disrespect, be my guest, cute you even try
But I'm already getting getting fucked by life

It's only how I cope
Deep down I've always known
I care way more than most
And I've reached the end of my rope

I don't need your hands between my thighs
Light a cigarette and tell me sweet sweet lies
And I know that it's not very ladylike
But I'm already getting fucked by life

Tell me that it's love and change your mind
Only call me drunk and when it's late late night
You can hit it from the back and make me cry
'Cause I'm already getting fucked by life
