

Kickflip

UPSAHL

Wow

Just fell in love with myself
I got me out of my shell
Bought every table in hell, make a big fucking deal about it
Wait
Had nine lives and I used eight
So somebody give me a taste
I'm icing on top of the cake, make a big fucking deal about it

I'm on one before, during, and after
Don't slow down, I only want it faster 'cause I'm

Feeling like, feeling like god
Feeling, feeling like I'm gonna go hard
I got big plans that I might skip
Got your man and a side chick
Feeling like, feeling like god
Feeling, feeling like I'm shooting my shot
Hold my cup, lemme do a kickflip
I'm a tall glass, take a big sip

Why

Try to convince me that I'm
Bound to come down from this high
When it's just the state of my mind? I don't care how you feel about it

I'm on one before, during, and after
Don't slow down, go faster, faster, faster 'cause I'm

Feeling like, feeling like god
Feeling, feeling like I'm gonna go hard
I got big plans that I might skip
Got your man and a side chick
Feeling like, feeling like god
Feeling, feeling like I'm shooting my shot
Hold my cup, lemme do a kickflip
I'm a tall glass, take a big sip

Devil on my shoulder, party angel till it's over
Full disclosure, I'm not sober
Either way though, I'll keep feeling
I'm feeling, I'm feeling

I'm feeling like, feeling like god
Feeling, feeling like I'm gonna go hard
I got big plans that I might skip
Got your man and a side chick
Feeling like, feeling like god
Feeling, feeling like I'm shooting my shot
Hold my cup, lemme do a kickflip
I'm a tall glass, take a big sip (Let's go)

I'm feeling like, feeling like god
Feeling, feeling like, feeling like god
Oh, I'm feeling like, feeling like god (Hold my cup, lemme do a kickflip)
I'm feeling like, feeling like god (I'm a tall glass, take a big sip)
Got me feeling like, feeling like god

Yeah, I'm feeling like, feeling like god
Oh, feeling like, feeling like god (Hold my cup, lemme do a kickflip)
Oh, I'm feeling like, feeling (I'm a tall glass, take a big sip)
Feeling, I'm feeling

That's so goo....
