Lunatic

UPSAHL

(I'm a lunatic, I'm a bitch)
(I'ma, I'ma, I'ma)
(I'm a lunatic, I'm a bitch)
(I'ma, I'ma, I'ma)

Let me paint the picture for ya
Heard my ex talking trash 'bout my ... on the internet, seeing red
Next thing I know, I'm outside his work
With a baseball bat 'cause I want this to hurt

Hello 911
Think that I'm on one
Get the ambulance
I might mess him up
'Cause I heard what you said the other night, night
So if you got the nerve to say it twice, twice
Say it

I'm a lunatic, I'm a bitch
I'ma, I'ma, I'ma light up all your shit
Blow a kiss like woo
Punch you in the tiny dick
Look at, look at, look at, look at what you did
I'm a lunatic

I'm a lunatic
I'm a, I'm a, I'm a, I'm a lunatic
I'm a, I'm a, I'm a

If we're being straight up, I faked it the whole time
You couldn't get it to stay up, so I got off online
Yeah, I tried to play it nice, and that lasted 'bout a week
Now I kinda wanna fight, are you happy to see me?
