Think I had too much to dream last night, yeah I feel like I didn't sleep last night Take all the doubt All the dirty laundry, air it out Got a bad taste in my mouth From all that shit talking to myself I should take this sign as an indication I got issues in my mind and I gotta face 'em When I'm turning off the lights, I go to other places Got the sun up in my eyes, I'm afraid I think I had too much to dream last night (fighting with my feelings) I feel like I didn't sleep last night (only when I'm dreaming) Stressed out with circles under my eyes Melatonin shots, I don't wanna talk 'cause I think I had too much to dream last night (fighting with my feelings) All of my problems got real last night (only when I'm dreaming) Now that I know how I feel I might Take melatonin shots till I'm nodding off, yeah Sorry that I'm late Woke up in the morning feeling strange (feeling, feeling str-) Told ya, I'm okay But tonight I'm back to circling the drain, yeah I should take this sign as an indication I got issues in my mind and I gotta face 'em When I'm turning off the lights, I go to other places Got the sun up in my eyes, I'm afraid I think I had too much to dream last night (fighting with my feelings) I feel like I didn't sleep last night (only when I'm dreaming) Stressed out with circles under my eyes Melatonin shots, I don't wanna talk 'cause I think I had too much to dream last night (fighting with my feelings) All of my problems got real last night (only when I'm dreaming) Now that I know how I feel I might Take melatonin shots till I'm nodding off, yeah I should take this sign as an indication I got issues in my mind and I gotta face 'em When I'm turning off the lights, I go to other places Got the sun up in my eyes, I'm afraid I think I had too much to dream last night I feel like I didn't sleep last night Stressed out with circles under my eyes Melatonin shots, I don't wanna talk 'cause I think I had too much to dream last night (fighting with my feelings) All of my problems got real last night (only when I'm dreaming) Now that I know how I feel I might

Take melatonin shots till I'm nodding off, yeah
