

NO HANDS (SIDE A)

UPSAHL

No hands, no hands

I go overboard
I'll be your disaster
But I still want more
Don't know what I'm after
Yeah, I'ma take the worst
Mix it till I burn my world down
Down

Try to tame all my demons, but I'm still hearing 'em scream
I'd pay somebody to come rip the ground from under my feet
The voices up in my head, they just never know what I need
And what I need

Is to take it off
Just because I can
Just because I can
I might crawl
You can watch me dance
You can watch me dance
Drive my car
Do it with no hands
No hands, no hands
Want it all
Do you understand?
Do you understand?

I wanna be cold, I wanna be hard, I wanna be ruthless
I wanna be hot, I wanna be soft, I wanna be stupid
I wanna be cold, I wanna be hard, I wanna be ruthless
I wanna be hot, I wanna be soft, I wanna be stupid

I'm stuck between caring way too much and not giving a fuck
Yeah, I'm pulling myself down just to pull me back up
You gotta fill my mind
Gotta get too high until I'm numb
'Cause what I need

Is to take it off
Just because I can
Just because I can
I might crawl
You can watch me dance
You can watch me dance
Drive my car
Do it with no hands
No hands, no hands
Want it all
Do you understand?
Do you understand?

I wanna be cold, I wanna be hard, I wanna be ruthless
I wanna be hot, I wanna be soft, I wanna be stupid
Do it with no hands
No hands, no hands
Want it all

Do you understand?
No hands, no hands
