

Rough

UPSAHL

Baby here's your out (Ah Oh Ah)
Please just shut your mouth (Ah Oh Ah)

You love me like a slob and then you kiss me like a zombie
Life can't suck that bad cause babe you're rolling with me
Oh it's rough
Too stoned on your trampoline
Oh it's rough
Playing with me in your sheets
Oh it's rough
I'm your champagne and caffeine
Your life can't suck that bad cause babe you're rolling with me
La la la la la la
La la la la la la-a

Talking single life (Ah Oh Ah)
So good luck with that you'll come
Crawling right back you know I'm right (Ah Oh Ah)

You love me like a slob and then you kiss me like a zombie
Life can't suck that bad cause babe you're rolling with me
Oh it's rough
Too stoned on your trampoline
Oh it's rough
Playing with me in your sheets
Oh it's rough
I'm your champagne and caffeine
Your life can't suck that bad cause babe you're rolling with me
La la la la la la
La la la la la la-a

Your intentions gonna wreck ya
I know you'll be losing out
Who's the loser now
Want your freedom
Go and be dumb
Cause you're already on top
If you need some space-Go be an astronaut
Oh it's rough
Too stoned on your trampoline
Oh it's rough
Playing with me in your sheets
Oh it's rough
I'm your champagne and caffeine

Your life can't suck that bad cause babe you're rolling with me
La la la la la la
La la la la la la-a
La la la la la la

Your life can't suck that bad cause babe you're rolling with me
Oh it's rough
