

Skin Crawl

UPSAHL

My girlfriend's finding god in the bathroom stall
And I just saw my boyfriend, meet my boyfriend out in the hall
But I'm not tripping
I pretend that I didn't see
And this drink I'm sipping
Is giving me an epiphany, yeah

I'm so burnt out
So I'm burning this town
I'm circling 'round
Every day it's just the same thing
Never enough
Put a taste on my tongue
I'm bored, I'm so numb

Don't wanna feel much
Just make my skin crawl
Wanna say, "I love you" through a clenched jaw
Go head over heels like it's a free fall
Don't wanna think at all
Just make my skin crawl
Skin crawl like

You're tracing your fingers right up and down my spine
We're so close I'm breathing air from your mouth into mine
(I'm breathing)
And the thought of escape
Is making me so weak in the knees
And the buzz of this place
Is giving me an epiphany, yeah

I'm so burnt out
So I'm burning this town
I'm circling 'round
Every day it's just the same thing
Never enough
Put a taste on my tongue
I'm bored, I'm so numb

Don't wanna feel much
Just make my skin crawl
Wanna say, "I love you" through a clenched jaw
Go head over heels like it's a free fall
Don't wanna think at all
Just make my skin crawl
Skin crawl

I don't need much
Just put a taste on my tongue
I'll give you something to crush
Bounce in the chaos like a pinball

I don't need much
Just gimme infinite fun
Forget about mushy stuff
I don't wanna think at all
Just make my...
