

SLAYYYYYY (SIDE B)

UPSAHL

My hair, slay
My nails, slay
My dog, slay
My best friends are slay

Your shoes, lame
Your attitude, lame
Your mom, lame
But this song?

That's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay
Slay, slay, slay, slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
It's giving
That's a slay, that's a slay

It's giving no sleep, bus, club living
Stretching out these pussies, call me Mr. 7th inning
Snitches get stitches, bad bitches burn bridges
Doctors told me I have terminal sickness
I just killed the beat, had to ask God for her forgiveness
If you're out there listening, you just became a witness

S is for my sexy bitches
L is for my girl Lay
A is for some ass and titties
Y not make 'em shake when I say slay

That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay
Slay, slay, slay, slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay
That's a slay, that's a slay

That's a slay, hold on, bitch, it's Lay
They tryna imitate 'cause I'm what these bitches ain't
Make yo' booty shake, go on, snap yo' vertebrae
I'm rolling my eyes and I'm smacking my gum
I'm shitting on bitches, I'm taking a dump
I'm rude every day, not just once a month
I might let him fuck if he call me a cunt
My hair cunt
Nails cunt
Everything that I serve is cunt
He love how it taste, that nigga a munch

Eating me out while I'm smoking a blunt

S is for my sluts

L is for my lace

A, I ate this up, huh

Y you bitches hate? I'm here to slay

That's a slay, that's a slay

That's a slay, that's a slay

That's a slay, that's a slay

That's a slay, that's a slay

That's a slay

Slay, slay, slay, slay

That's a slay, that's a slay

That's a slay, that's a slay

That's a slay, that's a slay

That's a slay, that's a slay

It's giving everything it's supposed to give
