

STOP!

UPSAHL

I'm up all night, online, I'm looking up my symptoms
Tell myself I'm fine but my system just ain't listening like, ooh
This ain't normal, how I'm feeling, no , ooh
Running higher than the fever

When my palms start to sweat, I feel it in my stomach
This is how I get every time I know you're coming over, ooh
Sometimes I think that I might die with you, ooh
It's like I'm almost too alive with you

Ohhh
Oh, it feels like
My heart's gonna beat so fast
Gonna beat so fast, gonna beat so fast
That it might stop

Oh, it feels like
My heart's gonna beat so fast
Gonna beat so fast, gonna beat so fast
That it might stop
Hit my chest like

Woo ooh ooh ooh
Woo ooh ooh ooh
Boom boom boom

Kiss my neck, whisper in my ear
"You ain't seen nothing yet"
Cool me down and catch my breath like, ooh
This ain't normal, how I'm feeling, no, ooh
Say whatever, I'll believe it 'cause

Ohhh
When you're touching my
Ohhh

Oh, it feels like
My heart's gonna beat so fast
Gonna beat so fast, gonna beat so fast
That it might stop

Oh, it feels like my
My heart's gonna beat so fast
Gonna beat so fast, gonna beat so fast
That it might stop
Hit my chest like

Woo ooh ooh ooh
Woo ooh ooh ooh
Boom boom boom

My heart's gonna beat so fast
Gonna beat so fast, gonna beat so fast
That it might stop
