

Thriving

UPSAHL

Don't know who the fuck you are
Guess I blacked out at the bar
I'm just tryna leave then I see a ticket on my car
Damn this shit is going south
I just checked my bank account
Insufficient funds, what the fuck is that all about?

I'm barefoot, stumbling down the street
The hottest mess that you'll ever meet

I'm thriving
Damn this la-la-la-la life is a bitch
Thriving
'Cause I da-da-da-da don't give a shit
I feel like I'm dying
Hysterically crying
Thriving
Like, la-la-la-la, la-la-la

My ex just left, it's coolio
Hydrated on Julio
Faking up a smile, yeah, I'm vibing
I haven't slept in weeks, hey
I'm living the dream, hey
Ask me how I'm doing, I'm just trying not to scream (Wait)

I'm thriving
Damn this la-la-la-la life is a bitch
Thriving
'Cause I da-da-da-da don't give a shit
I feel like I'm dying
Hysterically crying
Thriving
Like, la-la-la-la, la-la-la

Thriving
And I'm la-la-la-la loving the taste
Thriving
Take a la-la-la-la look at my face (Take a look at my face)
I feel like I'm dying
Hysterically crying
Thriving
Like, la-la-la-la, la-la-la

My face is on the pavement
Got too wasted, but I'm like
(La-la-la, la-la-la-la)
Gotta get home
Can't find my phone
It's a shitshow
But it's lit though (It's lit though)

Yeah, I'm thriving
Damn this la-la-la-la life is a bitch
Thriving (Thriving)
'Cause I da-da-da-da don't give a shit
I feel like I'm dying

Hysterically crying
Thriving, yeah
Like, la-la-la-la, la-la-la

Thriving
And I'm la-la-la-la loving the taste (I'm loving the taste)
Thriving
Take a la-la-la-la look at my face
I feel like I'm dying
Hysterically crying
Thriving
Like, la-la-la-la, la-la-la
