

## If I Ever Needed Someone

Urban Mystic

Lord if I ever needed someone, I need You  
Lord if I ever needed someone I need You

To see me through the daytime  
And through the long lonely night  
To lead me through the darkness  
And on into the light

To stand with me when I'm troubled  
And help me through my strife  
When times get so uncertain to turn to You  
Turn to You in my young life

Lord if I ever needed someone, I need You  
Lord if I ever needed someone, I need You

Someone to hold onto  
And keep me from all fear  
Someone to be my guiding light  
And keep me ever dear

To keep me from my selfishness  
To keep me from my sorrow  
To lead me on to givingness  
So I can see a new tomorrow

Lord if I ever needed someone, I need You  
Lord if I ever needed someone, I need You

Someone to walk with  
Oh someone to hold by the hand  
Someone to talk with  
Someone to understand, yeah, yeah

Oh, when I need You  
Yeah, I need You very much  
To open up my arms to You  
Feel Your tender touch

To feel it and to keep it  
To the right here in my soul  
And care for it and keep it with me  
Never to grow old

Lord if I ever needed someone, I need You  
Lord if I ever needed someone, I need You  
Lord if I ever needed, needed someone, I need You  
Lord, Lord if I ever needed someone, I need You
