

Crush

Urban Zakapa

Ain't nobody loves you
Loves you like I do baby
How much I've been lovin' you so long
You never know

When can you see me
And when can you here me out

Love how can I do
How can I give you up no
You're the only one for me
Forever and ever

Love now I'm gonna tell you how
I feel inside
Feel inside

Here I am baby
I've got a crush on you girl
Can't you feel my love
Why can't you feel my heart

Here I am baby
I'm so into you my girl
All I want is you my love

I used to be so shy
But ain't wastin' no more time
Cause' I've been waitin' for a long time
To get this moment

Enough is enough
I'm gonna tell you now

Love everytime
I close my eyes you are the
You are the first thing that runs
To my mind

Love
Everywhere I go
I see you hear you feel you
Everytime

Here I am baby
I've got a crush on you girl
My love
Can't you feel my love
Why can't you feel my heart

Here I am baby
I'm so into you my girl
My soul
All I want is you my love

Don't want nobody to love me
Nobody to nobody

But you girl nobody but you girl

Don't want to other to kiss me
Don't want to other to miss me
No ain't no
Don't want nobody
But you baby my love

Here I am baby
I've got a crush on you girl
My love

Why can't you feel my heart

Here I am baby
I'm so into you my girl
My soul
All I want is you my love

Here I am baby
I've got a crush on you girl
My love
Can't you feel my love
Why can't you feel my heart
