

# it's over

URBANDUB

Now I know the truth about you  
Found out the hard way  
You've been lying to me the whole time  
But it's okay, I almost cried  
Now I'm glad it's done, you and me  
I'm moving on  
You can take your daggers away  
Off my back  
For now, I'm alright  
Cuz now we're through  
I'd like to say to you...  
It's over  
I've changed a lot since you've been gone  
It took some time  
I'm not so trusting anymore, so thanks a lot  
For now, I'm okay  
Cuz now we're through  
I'd like to say to you...  
It's over
