Freedom!

Urge Overkill

Every day it's a different story
People saying how you're no good for me
I heard you get around and they're making
A fool of you the way they do
But like a prisoner who has his own key
There's no escaping, it's a fact you own me
'Cause when I'm knocked down I'm locked down
They'll do the same to you

But you know that I'll forgive you
This is once or twice forever
And you could drag me to hell and back
Just as long as we're together
And you do

I don't want your freedom
I don't want to play around
I don't want nobody, baby
Part time love just brings me down

I don't want your (freedom) your freedom
Don't want your (freedom) your freedom
Don't need your (freedom) your freedom
I just want you

Ooh, yeah
But you always know that I'll forgive you
This is once or twice forever
Sugar, you could drag me to hell and back
Just as long as we're together
And you do, you do

That's why I keep on telling you

I don't want your freedom
I don't want to play around
I don't want nobody, baby
Part time love just brings me down
I don't want your freedom
I don't wanna just play around
I don't want nobody, baby
Part time love just brings me down

I don't want your (freedom) your freedom
Don't want your (freedom) your freedom
Don't need your (freedom) your freedom
I don't know ya (freedom) oh yeah
I don't know ya (freedom) oh yeah
That's why I turn (freedom) you so babababa
I just want you
