Snakemobile

Urge Overkill

She's a regular guy that girl's got speed
For my 4-wheel need for free
But I drove it wild, did I drive her wild
Thought I heard she smiled
She's a regular guy that girl's a stray
Asian in Norway, Tané
But I drove it wild, did I paint her wild
Did I say she smiled
The bell tolls and I go
Over to her window
Tame Tane has tainted Jane, I know
Where have we been
Heads are rolling again
And so are the wheels
Of my ugly snakemobile
