

# Can't Keep a Good Band Down

Uriah Heep

I can't believe y'all are still sayin'  
We're a long way from rock'n'roll  
You won't look for the good in the tunes we're playin'  
You prefer to say we got no soul

But day after day in town after town  
People say we're doin' alright  
We play and we stay boogyin' down  
And rockin' on into the night

It's breath and words and time you're wastin'  
When you should be tryin' to have a good time  
For a good few years it's been yours we've tasted  
So here's a little piece of our mind

We'll roll and we'll roll and we'll roll and we'll roll  
Till we run out of reason to try  
If it happens you don't approve  
It don't matter we won't ask why

You can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
You're dealin' with an institution

We'll fill our cup with wine while you  
Fill your head with high ideals  
You know so much but you still can't touch  
Till you find out how it feels

It'll take much more than the high and mighty  
To bring down the king of the road  
We could still be friends and quit this fightin'  
And let the real story be told

You see you can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
You're dealin' with an institution

You can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
With your paragraphs of pollution

You see you can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
You're dealin' with an institution

You can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
With your paragraphs of pollution

You can't keep a good band down  
Let me tell ya

You can't keep a good band down  
Let me tell ya
