Lying

Uriah Heep

Don't let love make a fool of you
Love is meant to tellin' truth
And never any lies
Came to me by seein' truth
In each other's eyes
Each other's eyes

What kind of a fool
Do you think I am?
'cos I have no money
Does it mean I'm half a man?
You know that I will give you all
Give you all that I can

You're lyin', tellin' me
What I should be
You're lyin', tellin' everyone it's me

You're lyin', tellin' me
What I should be
You're lyin', lyin', lyin', lyin'

Tellin' lies can only break you in two
You tell the biggest solo
What do you hope to gain?
If I were you then I would
Try to make amends
I'll tell all my friends

You livin' a world of dreams
But it's too late to change
Your way of life, it seems
So you just carry on
The best way you know how
You know how
