

Rollin' On

Uriah Heep

It came as the daybreak
Must surely arrive
Opened my eyes just
To be sure I was alive
Another day
They're much the same
Twentyfour hours for me
To try again
I'm rollin' on, I'm rollin' on
I'm rollin' on, I'm rollin' on

It came as a judgement
We all have to face
Fickle hour you bring me joy
You bring me disgrace
I'll take your challenge
Man against emotion
I'll wager my beliefs
Against my sin
I'm rollin' on, I'm rollin' on
Well, I'm rollin' on

Rollin' on and on and on forever
Yes, I am
Rollin', rollin', rollin' on together
Rollin' on and on and on forever
Rollin', rollin', rollin' on

Yes, I'm rollin' on
To where I don't care
Crystal ball
You let me down again
Rollin' down a road
I've never seen
Meeting people
Seeing places I've never been
I'm rollin' on, I'm rollin' on
I'm rollin' on, I'm rollin' on

Rollin' on and on and on forever
Yes, I am
Rollin', rollin', rollin' on together
Rollin' on and on and on forever
Rollin', rollin', rollin' on together

I'm rollin' on. I'm rollin' on
I'm rollin' on, I'm rollin' on
Crystal ball
You let me down again
I'm rollin' on
Well, I'm rollin'
