

Save Me Tonight

Uriah Heep

Tears from the sky
Falling from heaven
Nowhere to hide from the rain
I don't wanna cry
But sounds that you're sending
Just take me back again

I want it (I want it)
I need it (I need it)
I'm praying for a miracle
I'm falling (I'm falling)
I'm feeling

Somebody save me tonight
I'm ready and willing to fight
Seduce me to paradise
Exposed and alone (exposed and alone)
Somebody save me tonight

I'm lost in this dream
I'm bound by delusion
But now I'm finding my way
I just wanna scream
To all this confusion
So tired of losing this game

I want it (I want it)
I need it (I need it)
I'm praying for a miracle
I'm falling (I'm falling)
I'm feeling (I'm feeling)

Somebody save me tonight
I'm ready and willing to fight
Seduce me to paradise
Exposed and alone (exposed and alone)
Somebody save me tonight

Somebody save me tonight
I'm ready and willing to fight
Seduce me to paradise
Exposed and alone (exposed and alone)
Somebody save me tonight

Somebody save me tonight
I'm ready and willing to fight
Seduce me to paradise
Exposed and alone (exposed and alone)
Somebody save me tonight
