

Say Goodbye

Uriah Heep

I gave you my heart
But you sold it online
You told me what was yours
Was gonna be mine
Yes you did

Looking up ahead
All the walls of sorrow - yeah.
Things had better change
This time tomorrow

Some will come and some will go
To a place no one knows

I remember when
We were together - yeah.
Your reputation changed
Just like the weather
Yes it did

Some will come and some will go
To a place no one knows
Some will come and some will go
Say goodbye

I'm sick of all the lies
That you've been saying - yeah
So don't you dare
Ask me where I'm staying - oh no

Some will come and some will go
Say goodbye
To a place no one knows
Some will come and some will go
So say goodbye, so say goodbye
To a place no one knows
So say goodbye
